

We aim for the festival to be as inclusive as we can. All feature length films will have closed or open captions except those with subtitles. The venue is wheelchair accessible. If you are in need of a hearing assistance device, please let us know 10 days in advance which screenings you plan to attend and we will do our best to accommodate you (Film House has only a few available). The festival will be a scent-free environment and we discourage perfumes or scented lotions.

PASSES ARE FREE FOR VTIFF ALL ACCESS MEMBERS AND DISCOUNTED FOR VTIFF PATRON MEMBERS.
